

Participant FAQ's

EVALUAIDESM POPULATION HEALTH PROGRAM

Q1 *What is the EvaluaideSM program?*

A1 EvaluaideSM is a program designed to help eligible participants manage the often difficult and overwhelming world of health care.

Q2 *How does the EvaluaideSM program work?*

A2 An EvaluaideSM registered nurse assists you in completing a health assessment. Then, working as a team along with your provider, your EvaluaideSM nurse and your family, a plan of care is designed just for you to help you meet your health care goals. Your nurse will work with you to help you achieve these goals.

Q3 *Who is eligible for EvaluaideSM health management?*

A3 We pre-identify individuals who have or are at risk for developing common chronic health conditions. These are the individuals who can most benefit from having an EvaluaideSM nurse on their team to support and guide them on their way to better overall health and better management of their health care.

Q4 *How do I know if I am eligible for EvaluaideSM?*

A4 If you are eligible you will receive a welcome kit and you will be contacted by telephone by your EvaluaideSM nurse. If you think you may be eligible, please call us at 877.606.5366 or email Info@Evaluaide.com.

Q5 *What does it cost to participate in EvaluaideSM?*

A5 There is no additional cost to you to participate in the program. Your health plan provides this service.

Q6 *How long does an individual participate in EvaluaideSM?*

A6 There is no predetermined time limit on your participation in the program. When you have met all of your health care goals you are graduated from the program and will receive a gift to celebrate your success at managing your health. Participation is voluntary so you may disenroll at any time.
